**Activities of Daily Living- Basic
Overview of Creative Interventions**

Sponsored by: Caregiver Homes

Tuesday March 26th, 2019

10:30 am- 11:30 am

Activities of Daily Living (ADL's) are skills we do throughout our day. When Dementia enters the lives of our neighbors, these daily living skills can be a challenge. This one hour seminar will review factors that can limit a person's ADL's and creative ways to help those we care for.
