Institute for Excellence in Memory Care
(574) 318-4635
patty@alzni.org

Patty Piechocki is the Program Director of the Institute for Excellence in Memory Care. Patty is a Certified Therapeutic Recreational Specialist who has worked in the memory care field for over 24 years. Patty is certified through the National Council for Therapeutic Recreation Certification; the Alzheimer's Foundation of America as a Certified Dementia Care Partner, and is an Expressive Arts in Long Term Care Train the Trainer through the University of Indianapolis. Patty specialties include development, and managing specialized memory care programs, dementia care programming, person centered dementia care, training and consulting, resident assessment, mentoring dementia care directors and activity staff, and volunteer development for memory care.

TARGET AUDIENCE

Nursing Home Administrators, Social Workers, Nurses, Activity Professionals, Memory Care Practitioners

CONTINUING EDUCATION

REAL Services (Parent company of The Institute for Excellence in Memory Care and Alzheimer's Dementia Services of Northern Indiana) is approved by Indiana State Board of Health Facility Administrators to sponsor continuing education credit under the CE Sponsor—HFA license # 98000594A

To receive CEs, participants are required to comply with the following:

Training Seminar Registration and Attendance. During registration please identify if you will need a HFA, CE. Individuals must verify their attendance before and after the session. If participants do not attend the session for a minimum of 30 minutes for each hour of presentation, your attendance will not qualify.

Submit written evaluations for each session and successfully complete seminar post-test

Certificates cannot be processed until we verify your attendance and receive completed evaluation forms for each session you attend.

CE Certificates of completion will be e-mailed to the participant. Please allow 3-5 working days for processing.

Training the Trainer: Successfully Teaching Adult Learners

Training professional learners can be a complicated dance, especially for healthcare organizations that need to prove they have competent staff. This session will review how adults learn, training styles, techniques, areas of focus when educating adults, and helpful hints to create successful in-service training. Make your in-service days a time to remember!

Tuesday, February 19th
1:00 pm—3:00 pm EST
(Registration begins at 12:30 pm)
\$80 or \$70 for a certified member through IEMC

Community Health Pavilion—Carmel
Suite 126
11911 N. Meridian Street
Carmel, IN 46032

Seminar Objectives:

- Identify what goals adult learners need in order for them to focus on your topic.
- Review of effective teaching characteristics and learning styles so you can keep your participants engaged, and wanting to learn more.
- Discovering the best learning environment for your organization.
- Pre and Post tests— how can these accurately measure competent staff.
- Making your training materials something to remember.
