

You are invited to attend the
GRAND OPENING
of the Lake County Memory Cafe

What is a Memory Café?

- A memory café is a place where you and your loved one living with Alzheimer's or dementia can gather together with other couples who are in similar situations.
- It is a safe haven. Free of judgment and focused on bringing out the joy you share in one another's company.
- A memory café may involve a meal together, a fun activity or even the opportunity to hear presentations on topics of interest.
- Each memory café is developed and created by those who attend. Each café is geared towards the engagement of it's members.
